Christine, thanks for the time today. I greatly enjoyed the conversation, and look forward to its continuing on. As promised, I have attached the preliminary non-point source allocation analysis that we shared with a limited group at USDA in hopes of tracking real results and pursuing progress as against multiple agency mandates. Additionally, here is a link to our recent Uplift Report, which goes to the idea of accountability as an applied matter. Check it out.

Cheers. jsw

PS--look forward to your favorite Grand Bargain example.
